Summary

Passionate BS Computer Science student majoring in Data Science and Machine Learning, skilled in Python, Data Analysis, Machine Learning, and Web Development. Experienced in academic projects, internships, and freelancing tasks with a focus on delivering efficient, creative, and impactful solutions

Education

Sukkur IBA University (CGPA 3.08)

Sukkur, Pakistan

BS Computer Science

2023-Continue

- Recipient of a merit-based scholarship under university academic criteria.

Experience

Computer Science Student – Academic & Practical Experience

2023–Present

Sukkur IBA University

Sukkur, Pakistan

- Gained strong practical knowledge in **programming fundamentals, data structures, and problem-solving** through coursework and hands-on practice.
- Worked on **academic projects** related to **Data Analysis, Machine Learning, and Web Development**.
- Implemented algorithms and data structures using **Python, C++, and Java**.
- Built and trained **basic machine learning models** using Python libraries such as **NumPy, Pandas, and Scikit-learn**.
- Performed **data cleaning, analysis, and visualization** for small datasets.
- Developed **simple web applications** to understand front-end and back-end development concepts.
- Continuously improved technical skills through **self-learning, online resources, and**

Additional Skills:

1. *Programming Languages:* C++, Java, Python
2. *Data Structures:* Proficient in implementing and utilizing various data structures
3. *Machine learning:* Skilled in building and training models using Python libraries (NumPy, Pandas, Scikit-learn) for predictive analysis.
4. *Mathematics:* Strong foundation in Calculus and Multivariate Calculus
5. *Microsoft Office* (Word, Excel, Power Point), consistency, good team player, communication skills.

Certifications:

- [AI For Everyone](#).
- [Building a full website](#)
- [Marketing Automation](#)
- [Object- Oriented Programming](#)

Interests:

Solving the complex problems, listening the stories/experiences, TED talks, technology researcher.
